

Whereas Colorado "Innovation Schools Act of 2008" allows Boards of Education greater ability to meet the educational needs of a diverse and constantly changing student population;

Whereas Ascend College Prep has submitted their Innovation Plan to the Education reEnvisioned BOCES Board of Education for review and approval;

Now therefore, be it resolved, that:

The Education reEnvisioned Board of Education approves the Ascend College Prep School's Innovation plan, and their submission of the plan to the Colorado Department of Education for approval.
